"It is a temporary answer to the threat of world disturbance that we face. The North Atlantic Treaty is temporary. The United Nations is temporary. Peace itself is temporary.

Basically, there is only one permanence we can all accept. It is the permanence of a God-governed world. For the power of God alone is permanent. Obedience to His laws is the only road to lasting solutions of man's problems.

The destiny of the whole world is in the hands of those statesmen who can interpret faithfully the commands of the Almighty."

David Lawrence
U.S. News & World Report Editorial

Historically the leadership of our Nation has turned to Almighty God for strength and guidance.

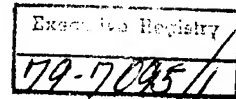

In this spirit, the United States Senate and the House of Representatives Breakfast Groups, which meet to deepen friendships, to pray and counsel together, inaugurated the National Prayer Breakfast to specifically seek the Lord's guidance and strength as well as to reaffirm our faith and to renew the dedication of our Nation and ourselves to God and His purposes.

This event in the Nation's Capital seeks to encourage men and women throughout the world to recognize their privileges and responsibilities before God.

With the desire to deepen the spiritual life and moral fibre of the people through a leadership led by God, there have been, in all fifty states, similar breakfasts inaugurated by governors, mayors and other leaders.

As a natural outgrowth of such gatherings, many people throughout the world are finding through the power of Jesus Christ a fellowship that is helping to build true community in the family of nations.

Dear Admiral and Mrs. Turner:

As national and international tensions increase, reconciliation between individuals and nations seems more difficult. There is widespread longing for ways of finding unity. One effort that is being made toward this common desire is an annual event to which you and your spouse will be invited.

For many years, the President, Members of the United States Senate and House of Representatives and other leaders from throughout the nation have met at an annual breakfast for prayer and discussion in the Name of the Living God of the Bible. This breakfast is scheduled close to the opening session of Congress and over the years has come to be referred to as the National Prayer Breakfast.

This year's National Prayer Breakfast will be held on Thursday, February 7, 1980 at 8:00 a.m. at the Washington Hilton Hotel in Washington, D.C. The U.S. Senate and House of Representatives Prayer Breakfast Committee will be inviting you to be their guest at this event. A formal invitation will be sent to you in the next few weeks.

We genuinely hope that you will be able to join us.

Sincerely,
